

Multiple Documents
Symbol

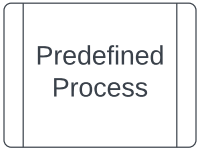

Represents multiple documents in the process

Document
Symbol

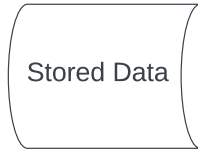

A printed document or report.

Subroutine
Symbol

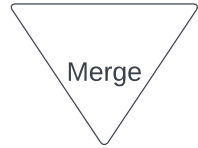

Indicates a set of steps that combine to create a complicated process that is defined elsewhere, often on another page of the same drawing.

Data Storage

Indicates a step where data gets stored.

Merge Symbol

Indicates a step where two or more sub-lists or sub-processes become one.

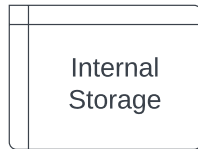

Comment or Note
Symbol

Placed along with context, this symbol adds needed explanation or comments within the specified range. It may be connected by a dashed line to the relevant section of the flowchart as well.

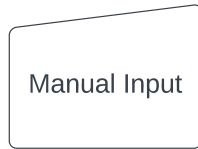

Internal Storage
Symbol

Indicates that information was stored in memory during a program, used in software design flowcharts.

Manual Input Symbol

Represents multiple documents in the process

Delay Symbol

Indicates a delay in the process.
